

By using the snapchat services provided by the Ohio University League of Legends coaching and feedback services you agree to the [Snapchat Privacy Policy](#) as well as the Ohio University League of Legends privacy policy.

The Information OU LOL collects is exclusively limited to your snapchat username and the information you directly provide to us via the website submissions.

OU LOL uses the information we collect to identify the individual who is submitting the request as well as fulfill and/or follow up with the request.

We do not share this information with any third parties.

The information you provide for coaching will be stored so your request can be fulfilled and will be deleted periodically, parts may be kept for usage statistics. Information provided for feedback may be stored longer.

Revisions may occasionally be made to this Privacy Policy.

If you have any questions you can contact OU LOL at ohioulol@gmail.com or contact [Snapchat](#)
